**The last date for Registration and to pay for food is May 1<sup>st</sup>. This is to help us better coordinate the event with the hotel. Overseas alumni please pay with a postal order or funds drawn on a US bank, if possible. If you would like to wire transfer funds, please contact us for the SWIFT code. You can also send us checks for the amount in US\$ and pay cash at registration. We will return the checks at that time. This is to prevent exchange rate fluctuations and fees charged for overseas checks.**
